# Book Based Programs

## Wreck this Journal for Gr. 3-6

A journal writing experience like no other! If you ever have had trouble starting, keeping or finishing a journal, try "Wreck this Journal"! This book features a collection of prompts asking readers to muster up their best mistake and mess making abilities to fill the pages of the book (and eventually destroy them). We will be using the Beanstack platform to complete activities to earn badges that will result in more messy prizes to help with their journal.

We will have 15 copies of the book to win to get started. Register with your Beanstack account for the Wreck this Journal Challenge and you will be entered for a chance to win. If you do not win, you can purchase your own journal in order to participate or go to the Library's Pinterest Wreck this Journal Board to make your own!

**Register with Beanstack by September 7th for a chance to win one of the 15 copies we have to give away**

## Kids' Read Book Share for Gr. K-3 What Can a Citizen Do? By Dave Eggers

Take an imaginary journey from the world we know to a world we can all believe in as we learn what it means to be a citizen. Be inspired by this great picture book! Take home supplies to make a "What I can Do" banner!

**Wednesday September 30th  
at 1pm outside on the patio.**

If there is bad weather, it will switch to a Zoom. Register online starting 9/1 so we have enough banner supplies and can email you a Zoom link if necessary. The book is available on Hoopla or you can request a copy through our catalog

Please note in these evolving times more book discussions may be added on different days and times depending on how learning will take place within Goshen Central School District
