

Click the link to visit the website for the 2020 Census!

2020census.gov

Here is where you will go to take the census after you have received your information in the mail. You can also find out more information about why the census is important, how to respond, and privacy and security measures.

For your convenience, we have 4 dedicated terminals just for census2020. So come on down and help ensure a complete and accurate count in 2020.
